Case 32254 - Fred Lammage, Plans to write Book

REF: Your OO-A(S)-3256915

We have no objections to the book Lammage' plans to write. This was checked with DD/P. We believe that Fred should concentrate efforts on productive employment and leave book writing to those who make a living at it. However, if he should scribble something we would like to screen the material before it is released for publication.
